**Subject: Request to Link Multiple Beitragsnummern to a Single Household**

Dear Sir or Madam,

I am writing to formally request the consolidation of multiple Beitragsnummern for our shared apartment at the following address:

Stockwerk 0004, Schwetzinger Str. 132, 68165 Mannheim.

My Beitragsnummer is 217 582 458, and I have already paid the broadcasting fee for the first six months since we moved into this apartment in November 2023. However, my roommates have recently received letters regarding penalty fees and outstanding amounts, even though we all live in the same residence.

To avoid duplicate payments, I kindly request that the following Beitragsnummern be linked to our apartment under a single contribution:

- Ketan Darekar – 168 221 528
- Varun Devgude – 376 585 485
- Yash Gabhane – 510 717 797
- Vipul Zope – 669 979 088

Since the broadcasting fee is only required once per household, I would appreciate your assistance in updating your records accordingly.

Additionally, we are attaching copies of our Rundfunkbeitrag documents containing our respective Beitragsnummern as proof. We are also attaching our room contract document with this letter.

If any further information or documentation is required, please let me know. Thank you for your time and support. I look forward to your confirmation of this request.

Best regards,  
Abhishek Vyas
